

To Nicky + all the staff of
Sweet Floral,

The bouquet's, arrangements +
everything for our wedding at Sittella's on 2nd May.
~~was~~ ^{was} stunning.

Nicky - we're sorry we didn't get
the chance to say this in person
as I would have liked to have
given you a hug - as I was so
happy with the arrangements +
everything you did for our wedding.

When we walked in and saw the
way everything looked we were absolutely
thankful that you'd understood exactly
the atmosphere that we'd wanted and
that you'd made it so warm + beautiful.
Thank you so much.
Jennifer + Neil
